Explanation of changes and other important information

We calculated your RRSP/PRPP deduction limit for 2018 based on 18% of your earned income for 2017, up to a maximum of **\$26,230**. Refer to "Your 2018 RRSP/PRPP Deduction Limit Statement".

As of the date of this notice, you have unused net capital losses from other years of **\$531**. You can use your unused net capital losses to reduce taxable capital gains that you report this year. If you apply this amount to another year, you may have to recalculate your unused balance. This is because of the different capital gains rates for those years. For more information, see Guide T4037, Capital Gains.
